STANDARD PERMIT CONDITIONS

1. The petitioner, designated herein as the “grantee”, their successors and assigns, will have the right and authority to enter upon the right-of-way of the city street, alley, public place or structure as indicated on the front of this form, for the purpose of such activity as applied for and approved by the Public Works Department. All provisions, conditions, regulations and requirements herein contained will be binding upon the successors and assigns of the grantee. The issuance of this permit does not diminish or negate the grantee’s responsibility to comply with any other regulations, standards, licenses or obligations not covered under this permit.
2. A *Right-of-Way Disturbance Permit* is for activities that will alter the appearance of or disturb the surface, super-surface or sub-surface of a right-of-way on a temporary or permanent basis.
3. A *Short-term and Temporary Permit* is for activities that involve short-term commitments that do not physically disturb or alter the right-of-way. Uses include but are not limited to: festivals, displays, concerts and public or private gatherings. See Municipal Code 12.56.060.
4. A *Long-term and Permanent Permit* is for activities that last for an extended period of time but do not physically disturb or alter the right-of-way. Uses include but are not limited to: construction site/haul roads, recycle facilities, advertising structures, seasonal sidewalk cafes, utility facilities, special & unique structures such as fountains, clocks, flag poles, awnings, marquees, signs, banners, street furniture and decorations. See Municipal Code 12.56.060.
5. The location, type of work, materials and equipment used, manner of erection or construction, safeguarding of public traffic during and after work, mode of operation and manner of maintenance of project petitioned for, will be approved by the Public Works Director or authorized representative prior to start of work and will be subject to the inspection of the same so as to ensure proper compliance with the terms of this permit.
6. After completion of work, the grantee will leave all streets, alleys, public places and structures in as good and safe a condition in all respects, as it was prior to the commencement of any work by grantee. Damage of any kind to any street, alley, public place, structure or public property resulting from said work by the grantee will immediately be repaired by the grantee at their own sole cost and expense, to the satisfaction of the City.
7. The Public Works Director or a designated representative may perform, order, or have done any and all work considered necessary to restore to a safe condition any street, alley, public place or structure which is in a condition that is dangerous to life or property resulting from the grantee’s use, activity or work as permitted herein, and upon demand, the grantee will pay to the City all costs of such work and materials.
8. The City Council, Public Works Director or designated representative may at any time, change, amend, modify, revoke, annul or terminate this permit and/or any of the conditions herein enumerated so as to conform to any state or federal statute or City regulation pertaining to the public welfare, safety, health, convenience to the public or highway regulations as are, or may hereinafter be enacted, adopted or amended, etc. The City Council, Public Works Director or designated representative may terminate this permit if grantee fails to comply with any such changes or conditions herein enumerated.
9. In accepting this permit the grantee, their successors and/or assigns agree to defend, indemnify, and hold harmless the City, its officers, employees, and agents from any and all suits, claims, causes of actions or liabilities caused by, or arising out of, any activities conducted by the grantee resulting from the issuance of the permit.
