July 17, 2020

Dear Property Owner,

The Port of Chehalis is proposing the restoration of approximately 1,000 linear feet of Berwick Creek to provide additional flood storage, bank stabilization, erosion reduction, improve wetland, riparian and aquatic habitats. By law, the City is required to send notice to all property owners within 300 feet of this area. This may be the only opportunity you have to comment. If you have any questions or comments, please follow the directions in the notice below and on the attached Determination of Non-Significance decision.

Notice of Application and Determination of Non-Significance

Request: Environmental Review

Applicant: Rick Rouse, Senior Director of Operations, Port of Chehalis, 321 Maurin Road, Chehalis WA 98532

Land Use Case#: UGA-SEPA-20-0005

Date of Application: June 2, 2020

Date of Complete Application: July 2, 2020

Project Location: Along Berwick Creek for 1,000 linear feet just north of Bishop Road.

Proposal: Applicant proposes restoration of Berwick Creek.

City Contact: To view the complete application during normal business hours, contact:
Tammy Baraconi, Planning and Building Manager
Community Development
