State law requires 48 hours advance notice to <u>all</u> utilities prior to any excavation work

---

See Chehalis Municipal Code 15.28 for complete permit requirements and conditions.

Subject to all the terms, conditions and provisions written on, printed on, or attached to this form, the applicant is hereby authorized to perform the work as described on the application and approved plans. The City of Chehalis reserves the right to alter, amend, and/or rescind this permit, or modify any conditions or requirements.

04/12/2023

Site Plan: (Attached to previous application paperwork)

Grading Plan: Road Grade into and out of the stream crossing will be at 10% slope, transitioning to 0% for the last 124 feet.

Interim Erosion @ Sedimentation Control Plan: Silt Fencing will be installed at the toe of the slope on the downhill side of the road cut and fill for the entire 224' of proposed road construction (filling and grading)

Work Schedule: Work will commence immediately upon approval of this permit, and take two days to complete.
