DATE: August 24, 2018

The additions, omissions, clarifications, and corrections herein shall be made to the Contract Plans and Specifications for the project, and shall be included in the scope of work and proposals to be submitted. References made below to Specifications shall be used as a general guide only. Bidder shall determine the work affected by the Addendum items.

ITEM #1 – Bid Bond

The legal advertisement for the project states that, ***“Each bid must be accompanied by a cashier’s check, postal money order, or surety bond by a bonding company licensed to do business in the State of Washington, made payable to the City of Chehalis in an amount not less than five percent (5%) of the total bid.”*** This statement was mistakenly omitted from the bid document.

The first sentence of Section 2.9 is replaced as follows: ***“The Contractor shall submit one invoice at 50% completion of the project and one final invoice upon 100% completion of the project.”*** The remainder of the sentence remains the same.

ITEM #4 – 2.11 Notice of Award

Section 2.11 is deleted.
