Chehalis City Council Meeting Minutes September 13, 2021

The Chehalis City Council met in regular session on Monday, September 13, 2021. Mayor Dennis Dawes called the meeting to order at 5:00 pm with the following members present: Tony Ketchum, Jerry Lord, Dr. Isaac Pope, and Bob Spahr. Councilor Daryl Lund participated via Zoom. Staff present included: Jill Anderson, City Manager; Tammy Baraconi, Planning and Building Manager; Kiley Franz, City Clerk; Tedd Hendershot, Fire Chief; Erin Hillier, City Attorney; Randy Kaut, Police Chief; Brandon Rakes, Airport Operations Coordinator; Chun Saul, Finance Director; Dave Vasilaskus, Water Superintendent; and Celest Wilder, Engineering Technician II. Eric Rosane from *The Chronicle* was also in attendance.

1. <u>Approval of Agenda.</u> Mayor Dawes informed the Council that an executive session would not be necessary; the executive session was removed from the agenda. A motion to approve the agenda as amended was made by Councilor Spahr. The motion was seconded by Councilor Pope and carried unanimously. They are working to research and lobby for capital improvement projects in Lewis County.

2. Lewis County EDC Update – Todd Chaput. Todd Chaput explained that the Lewis County EDC planned to leverage ARPA funds to create a database with upcoming projects for the county, local cities, the state, and some private entities. This could help to coordinate efforts on projects, which could reduce costs and redundancy. Mayor Dawes asked if they were looking at just approved projects or planned projects as well. Todd Chaput informed the Council that they were looking for all projects, even those that are not yet feasible; he hoped that including all projects may create an opportunity to collaborate with other entities to complete more projects.

3. <u>Lewis County Housing Summit Information</u>. Centralia City Councilor Kelly Smith Johnston invited the Council to the Policy Summit to discuss housing issues in Lewis County. They hope to create a cross-jurisdictional plan to increase housing in Lewis County. They will focus on the whole housing pipeline, which covers emergency shelters, transitional housing, social housing, affordable rental housing, affordable home ownership, market rental housing, and market home ownership.

Councilor Lord expressed his interest in the project.

4. Citizens Business.

- a. Jeff Barcott of Barcott Construction explained that he had completed some Public Works projects for the City of Chehalis and was currently working on more. He expressed frustration with the bid process for the 12th and Williams Avenue project, missing documents in the Northwest Pacific Avenue project bid paperwork, and the delays with the Fire Station Project.
- b. Jo Kuhner informed the Council that she would be interested in helping to keep the City-owned parking lot by the San Juan apartments clean and safe. She expressed her desire to clean-up the area by pulling weeds; she currently maintains the alley by the apartment building.
- 5. Consent Calendar. Councilor Spahr moved to approve the consent calendar comprised of the following:
 - a. Minutes of the regular City Council meeting of August 23, 2021; and
 - b. August 31, 2021 Claim Vouchers No. 132447 132522 and Electronic Funds Transfer Check Nos. 1507 1538 in the amount of \$694,483.00; and
 - c. August 31, 2021, Payroll Vouchers No. 41758-41788, Direct Deposit Payroll Vouchers No. 13805-13937, Electronic Federal Tax and DRS Pension/Deferred Comp Payments No. 356-359 in the amount of \$847,120.83; and
 - d. Resolution No. 13-2021, First and Final Reading Declaring Property to be Surplus; and
 - e. Short Plat to Divide Airport Property Tract 7a (Lewis County Parcel Number 005605827001).

The motion was seconded by Councilor Ketchum and carried unanimously.

6. Ordinance No 1021-B, Second and Final Reading – A Petition to Vacate Portions of Right-of-Way on SE Adams, 12th Street, and the Undeveloped Alley Between 11th and 12th Streets. Tammy Baraconi explained that the petition to vacate portions of the right-of-way on SE Adams, 12th Street, and the undeveloped alley between 11th and 12th Streets had not changed since the first reading. The City was proposing to retain easements to access utilities in the alley.

Councilor Lord asked if new easements were being created. Ms. Baraconi explained that there were new ones for the utility purposes. Councilor Ketchum asked if the concerned neighbor had been in contact with Ms. Baraconi regarding the petition to vacate; Ms. Baraconi stated that she had been and her questions had been answered.

Erin Hillier noted that for best practices for vacating right-of-ways, the legal description and the final price per square foot that the City is to be compensated for the space. This Ordinance did not contain the exact square footage, so the City Council decided to postpone the second reading of Ordinance No. 1021-B until the September 27, 2021 City Council meeting.

7. <u>Regional Water Supply Agreement between the City of Chehalis and the City of Centralia</u>. City Manager Anderson informed the Council that the members of the Growth Management Committee had been in review of a possible purchase of water rights agreements from the City of Centralia, which had been obtained from TransAlta.

Tom McDonald of Cascadia Law explained that demand for water rights has always been high. The proposed agreement would be for three million gallons of water a day for the City of Chehalis. The original agreement had been for the City of Chehalis to purchase water wholesale from the City of Centralia, but the agreement has been revised for the City of Chehalis to own the water rights instead.

The price for the water rights would be \$1,500/acre foot of water for consumptive water; this price could go up to \$1,800/acre foot of water depending on the Department of Ecology. Mr. McDonald explained that the proposed agreement ensured that neither city's rate payers would be subsidizing the cost for the other city's rate payers. The permit for the water rights would not be issued until approximately August 2022.

Councilor Lord asked how much it will cost the City of Chehalis for infrastructure in relation to the water rights agreement. City Manager Anderson explained that a working group, with the assistance of consultants and attorneys, would return to the Council with the costs associated with the infrastructure improvements needed to access the water at a later date, as set forth in the proposed agreement. City Manager Anderson explained that policy decisions regarding how the costs would impact the City's water rates and capital charges would be brought before the Council after the water rights purchase is finalized and the cost of the necessary infrastructure improvements is determined. At that time the City Council may want to consider mechanisms to recoup the costs of securing the water from future development that will only be possible because of the purchase of the water rights.

Councilor Spahr asked if these water rights would be subjected to the Department of Ecology's 'use it or lose it' policy. Mr. McDonald explained while it is possible, this would be a water right permit to include a development schedule, which is proposed by the Cities to cover the next fifty years. According to Mr. McDonald, water rights would not be subject to forfeiture until the end of the requested fifty years, assuming that is approved by the Department of Ecology.

Councilor Spahr asked if the water rights would cost the \$4.5 million or the \$5.4 million listed in the agenda report. City Manager Anderson explained that the cost per acre foot could be between \$1,500 an acre foot and \$1,800 and the final number had not yet been finalized. Therefore, the cost to secure the water rights would be between \$4.5 million and \$5.4 million; Mr. McDonald explained that the lower cost was anticipated. Councilor Spahr asked if the City would be required to purchase the water rights even if they were unable to utilize the water, Mr. McDonald confirmed that the City would be obligated to purchase the rights. Councilor Spahr clarified that if the City was unable to utilize the water rights, they could later sell them.

A motion to approve the Regional Water Supply Agreement between the City of Centralia and the City of Chehalis and authorize the City Manager to sign the agreement was made by Councilor Spahr. The motion was seconded by Councilor Lord and carried unanimously.

8. Ordinance Number 1022-B, First Reading – Amending the 2021 Budget. Chun Saul provided the City Council with an overview of the second budget amendment. This amendment will increase the total revenue budget by \$2,623,867; the total expenditure budget will increase by \$720,848; and the total transfers in and out by \$297,181, for a net zero; with a total net increase in ending fund balance of \$1,903,019.

Ms. Saul provided budget overviews for the general fund expenditures and revenues with a net increase of \$832,301. Councilor Ketchum asked why the revenue projections would be modified mid-year if there could potentially be a major decrease

in sales tax. Ms. Saul explained that projections were created to reflect what has been received through August. Mayor Dawes expressed concern regarding a possible sales tax revenue decrease associated with decreased auto sales.

Ms. Saul provided budget overviews for the Transportation Benefit District fund, the federal grant control fund, the public facilities reserve fund, utility funds, and the airport fund.

The estimated 2021 ending fund balance across all funds is \$24,554,668.

A motion to pass Ordinance No. 1022-B on first reading was made by Councilor Spahr. The motion was seconded by Councilor Lord and unanimously.

9. <u>Appointment of New Lodging Tax Advisory Committee Members</u>. City Manager Anderson explained that the Lodging Tax Advisory Committee (LTAC) meets annually to review applications for lodging tax funds. Two members of the LTAC have resigned from their positions in the hospitality industry. Jacob Blue of the Holiday Inn Express has applied. Since representatives of other local hotels were unable to attend this year, staff is recommending the appointment of Lilly Wall, Recreation Manager of the City of Chehalis be appointed to the open position. The City does meet the requirements of a collecting agency due to the RV park.

A motion to appoint Jacob Blue and Lilly Wall to the City's Lodging Tax Advisory Committee was made by Councilor Spahr. The motion was seconded by Councilor Pope and unanimously.

10. Process for Filling the Vacant City Council Seat (At-Large Position No. 2). City Manager Anderson explained that Councilor Bannan had resigned on September 7, 2021 after moving outside of the city limits. The open At-Large Position #2 will expire at the first council meeting after the certification of the election results in November. Michael Bannan was running unopposed in the coming election; if elected, he may decline the position and another appointment to the Council will be necessary. If a write-in candidate were to win the election, a second appointment will not be necessary.

A motion to approve the process and application, and direct staff to proceed with the process for seeking candidates to fill the At-Large No. 2 position to complete the term, which ends at the first City Council meeting that follows the certification of the November 2, 2021 election results by the Lewis County Auditor's Office was made by Councilor Spahr. The motion was seconded by Councilor Lord and carried unanimously.

11. Councilor Reports/Committee Updates.

- a. Councilor Spahr. Councilor Spahr mentioned an abandoned motorhome on Interstate Avenue.
- b. <u>Mayor Dawes.</u> Mayor Dawes will take part in the legislative roundtable, which will take place on Friday, October 1, 2021.

12. **Executive Session**. Mayor Dawes announced the council would take a short recess and then be in executive session pursuant to RCW 42.30.110(1)(i) – Litigation/Potential Litigation and RCW 42.30.110(1)(c) – Sale/Lease of Real Estate, not to exceed 8:00 pm and there will be no action taken following conclusion of the executive session. Mayor Dawes closed the regular meeting at 7:20 pm. and the executive session began at 7:26 pm. Following conclusion of the executive session at 8:00 pm, the regular meeting was reopened and was immediately adjourned.

Dennis L. Dawes, Mayor

Kiley Franz, City Clerk

Approved:

CHEHALIS CITY COUNCIL MEETING AGENDA REPORT

TO:	The Honorable Mayor and City Council
FROM:	Jill Anderson, City Manager
BY:	Chun Saul, Finance Director Michelle White, Accounting Tech II
MEETING OF:	September 27, 2021
SUBJECT:	Vouchers and Transfers – Accounts Payable in the Amount of \$831,567.03

<u>ISSUE</u>

City Council approval is requested for Vouchers and Transfers dated September 15, 2021.

DISCUSSION

The September 15, 2021 claim vouchers have been reviewed by a committee of three councilors prior to the release of payments. The administration is requesting City Council approval for Replacement Checks No. 132523 & 132526, Claim Vouchers No. 132524 - 132618 and Electronic Funds Transfer Checks No. 1539 – 1566 in the amount of \$831,567.03 dated September 15, 2021 which included the transfer of:

- \$ 113,705.99 from the General Fund
- \$ 105.96 from the Dedicated Street Fund 4% Sales Tax
- \$44,585.88 from the Transportation Benefit District Fund
- \$ 2,083.86 from the LEOFF 1 OPEB Reserve Fund
- \$ 303,434.52 from the Public Facilities Reserve Fund
- \$493.27 from the Garbage Fund
- \$41,994.70 from the Wastewater Fund
- \$ 292,669.43 from the Water Fund
- \$ 3,957.64 from the Storm & Surface Water Utility Fund
- \$ 17,882.45 from the Airport Fund
- \$ 5,822.99 from the Custodial Court Fund
- \$ 4,830.34 from the Custodial Other Agency Fund

RECOMMENDATION

It is recommended that the City Council approve the September 15, 2021 Claim Vouchers No. 132524 – 132618, Electronic Funds Transfer Checks No. 1539 – 1566 and Replacement Checks No. 132523 & 132525 in the amount of \$831,567.03.

SUGGESTED MOTION

I move that the City Council approve the September 15, 2021 Claim Vouchers No. 132524 – 132618, Electronic Funds Transfer Checks No. 1539 – 1566 and Replacement Checks No. 132523 & 132525 in the amount of \$831,567.03.

CHEHALIS CITY COUNCIL MEETING AGENDA REPORT

TO:	The Honorable Mayor and City Council
FROM:	Jill Anderson, City Manager
BY:	Chun Saul, Finance Director
MEETING DATE:	September 13, 2021
SUBJECT:	Ordinance No. 1022-B, Second and Final Reading – Amending the 2021 Budget

<u>ISSUE</u>

Ordinance No. 1022-B amending the 2021 Budget, is hereby submitted for second and final reading to reflect the changes in estimates and actual activities of the City since the adoption of the 2021 Budget. The first reading of this Ordinance was conducted on September 13, 2021. This is the second amendment to the 2021 Budget.

Throughout the year, adjustments to the budget become necessary as a result of City Council actions, changes in estimates, activity levels that were not anticipated during budget development, and grant awards or other receipts of outside funding. Historically, the budget has been amended two or three times per year prior to the adoption of the next year's budget.

DISCUSSION

A summary for the proposed amendment, including updated beginning fund balances, revenues, transfers-in, expenditures, transfers-out, and estimated ending fund balances and a detailed list of proposed budget amendment items are attached to the proposed Ordinance No. 1022-B as Exhibit "A" and Exhibit "A-1".

The proposed budget amendments by fund are summarized as follows:

General Fund

The proposed budget amendment increases the General Fund's revenues by \$1,108,289, increases appropriations by \$235,988, and increases transfers-out by \$40,000, resulting in a net increase in fund balance by \$832,301.

Total revenue budget increase is to reflect actual revenues received through August exceeding the 2021 budget amounts, which includes but not limited to the following:

- \$820,000 Local Sales Tax revenue
- \$187,500 Building permit fees and Plan Check fees
- \$ 10,000 Public Defense Improvement Grant received by Municipal Court
- \$ 39,236 State Shared Revenues for City Assistance and El & CJ Leg One-Time Cost
- \$ 21,450 Drug seizure and forfeiture distribution
- \$ 30,103 other miscellaneous revenues and receipts.

Local Sales Tax revenue received through August 2021 exceeds the eight-month target by \$720,107 (about 15.4%). Using 2019 level for the remaining months in 2021 (September – December), the 2021 local sales revenue is projected to be about \$5,493,200, which is about an \$820,000 increase from the original budget projection of \$4,673,200. This new projection is about an 17.5% increase from the original 2021 budget projection and about an 8.0% increase from the actual 2020 local sales tax revenue.

Total appropriations and transfers-out budget increase of \$275,988 consists of the following:

General Fund Budget Amendment Requ	lest by Department			
		Amendment	Proposed	
		Request	Second	
	2021 Current	Increase	Amended 2021	% Increase
General Fund Department	Budget	(Decrease)	Budget	(decrease)
City Council	94,430	-	94,430	0.0%
Municipal Court	415,600	12,716	428,316	3.1%

General Fund Budget Amendment Request by Department

- Municipal Court Unexpected unemployment benefit payment, 2020 AV Capture annual fee paid in 2021, and court bail deposit refunds not in the current budget.
- City Manager and Finance increase in IT services due to new user(s) and other support.
- Facilities and Parks Increase in maintenance activities. \$28,000 for seasonal maintenance staff, \$18,000 for maintenance supplies, and \$14,500 for drainage project at the scout lodge and sign refurbishments, and \$7,628 for various other needs and adjustments.
- Non-departmental: \$32,243 repayment to Department of Revenue for brokered natural gas tax received in 2019. DOR had issued an audit of a taxpayer in 2019 including an estimated tax of \$32,423 which was then distributed to the City. DOR concluded the audit in August this year and determined that the taxpayer did not owe the tax and requested the City repay the tax to DOR. \$40,000 transfers-out to the Public Facilities Reserve Fund for Westside Park and Lintott/Alexander Park improvement projects.
- Police: Police evidence garage acquisition budgeted in 2021 is being moved to 2022.
- Fire: Membership dues and subscription budget adjust to actual.
- Street: Purchase of LED lights and costs for installation of LED lights more than anticipated.
- Planning and Building: Addition \$75,000 for contracted inspector service due to exceptionally busy permit season, \$53,000 payroll expenses for new Planner hired in June 2021, \$6,800 for permit software annual fee increase, office equipment, and IT service expenses for new staff.

A summary of proposed amendment to the 2021 budget for the General Fund is provided below:

			Α	mendment		Proposed	
				Request		Second	
	2	021 Current		Increase	An	nended 2021	% Increase
General Fund		Budget	((Decrease)		Budget	(decrease)
Revenues	\$	9,926,514	\$	1,108,289	\$	11,034,803	11.2%
Transfers In		-		-		-	0.0%
Expenditures		10,459,250		235,988		10,695,238	2.3%
Transfers Out		707,844		40,000		747,844	5.7%
Net Revenues Over (Under) Expenditures	\$	(1,240,580)	\$	832,301	\$	(408,279)	-67.1%
Beginning Fund Balance		2,240,739		-		2,240,739	0.0%
Estimated Ending Fund Balance	\$	1,000,159	\$	832,301	\$	1,832,460	83.2%
Estimated Ending Fund Balance % of Reve		10.1%				16.6%	

Transportation Benefit District Fund

Public Transportation Tax revenue received through August 2021 exceeds the eight-month target by \$173,336 (about 15.6%). Using 2019 level for the remaining months in 2021 (September – December), the 2021 TBD tax revenue is projected to be \$1,286,000, which is about a \$190,000 increase from the original budget projection of \$1,096,000. This new projection is about a 17% increase from the original projection and about an 8.0% increase from the actual 2020 TBD tax revenue.

Compensated Absences Reserve Fund

The proposed budget amendment reduces the Compensated Absences Reserve Fund's appropriations by \$49,000 due to allocation of accrual cash outs for three retirees from Human Resources, Finance, and City Clerk's offices to proprietary funds as contra expense (or indirect cost allocation). Total 2021 cash out expenditure are \$128,674, and about \$48,900 or 38.0% of the total is estimated to be allocable to utilities and Airport funds.

LEOFF 1 OPEB Reserve Fund

The proposed budget amendment decreases the LEOFF 1 OPEB Reserve Fund's transfers-in by \$78,000. The adopted 2021 budget includes \$78,000 transfers-in from the Firemen's Pension Fund. It was learned that to report the Firemen's Pension Fund as a fiduciary fund on the City's financial statement, the funds must stay in the Firemen's Pension Fund until there is no pre-LEOFF pension beneficiary remaining. This financial statement reporting issue was discussed with Council Budget Committee members during July 13th Budget Committee meeting and the Council Budget Committee recommend keeping the funds in the Firemen's Pension Fund until there is no beneficiary remaining or use of the funds is needed.

Federal Grant Control Fund

This fund is used to account for the State and Local Fiscal Recovery Funds (SLFRF) received under the American Rescue Plan Act of 2021 (ARPA). The budget amendment reflects \$1,066,299 revenue for ARPA funds received in June 2021 and \$335,181 transfers-out to the Public Facilities Reserve Fund to supplement the temporary fire station project costs exceeding the bonds proceeds. This was approved by the City Council on 8/9/2021.

Public Facilities Reserve Fund

The proposed budget amendment increases the Public Facilities Reserve Fund's revenues by \$15,591, increases transfers-in by \$375,181, and increases the appropriations by \$391,009, resulting in a net decrease in fund balance by \$237.

Increase in appropriations includes \$15,828 retainage released in August for pool resurfacing project, \$40,000 ear-marked for two parks improvement projects: Westside Park and Lintott/Alexander Park,

and \$335,181 for temporary fire station project. Recreation Park and Penny Playground projects are complete other than a few minor punch items being added. The only remaining major project in 2021 is the temporary fire station project. A summary of the 2021 proposed amended budget for the Public Facilities Reserve Fund is provided below:

			Ar	nendment		Proposed	
				Request		Second	
	20	2021 Current		Increase		ended 2021	% Increase
Public Facilities Reserve Fund	Budget		(Decrease)		Budget		(decrease)
Revenues	\$	321,210	\$	15,591	\$	336,801	4.9%
Transfers In		-		375,181		375,181	0.0%
Expenditures		869,176		391,009		1,260,185	45.0%
Transfers Out		-		-		-	0.0%
Net Revenues Over (Under) Expenditures	\$	(547 <i>,</i> 966)	\$	(237)	\$	(548,203)	0.0%
Beginning Fund Balance		958 <i>,</i> 474				958,474	0.0%
Estimated Ending Fund Balance	\$	410,508	\$	(237)	\$	410,271	-0.1%

About \$190,000 of the estimated ending fund balance is donations received and restricted for Recreation Park.

Wastewater Fund

The proposed budget amendment increases the Wastewater Fund's revenues by \$18,211 and decreases appropriations by \$35,900, resulting in a net increase in fund balance by \$54,111.

Revenue increases includes \$36,211 FEMA grant reimbursement received in 2021 for January 2020 winter storm disaster event damage recovery costs, \$32,000 increase in hookup/connection fee revenues to reflect to actual through August, and loss of late fee revenue by \$50,000.

Decrease in appropriations includes \$90,000 for postponement of equalization basin construction project to 2022 and \$25,000 increase for sewer replacement at Sitka Avenue which was not in the original budget.

Water Fund

The proposed budget amendment decreases the Water Fund's revenues by \$25,300 and increase appropriations by \$1,800. Revenue decrease includes \$33,000 for loss of late fee revenue and \$7,700 increase for latecomer fee deposits.

Storm and Surface Water Fund

The proposed budget amendment decreases the Storm and Surface Water Fund's revenues by \$6,700 and increases appropriations by \$3,200.

Airport Fund

The proposed budget amendment increases the Airport Fund's revenues by \$257,477 and increases appropriations by \$173,751, resulting in a net increase in fund balance by \$83,726.

The revenue increase includes \$129,377 FAA grant for the runway rehabilitation project and additional debt service payment for Arkansas Way loan and \$128,100 lease escrow deposits received that was not in the original budget.

Total appropriations increase includes expense of the FAA grants for the scope of the grant award and increase for contra expenses (general fund indirect cost allocation for administrative services) by \$29,900 to reflect more to actual through August activities.

City-Wide Summary

The proposed budget amendment revises the budgeted amount by a combined net total increase in fund balance by \$1,903,019 and a total estimated ending fund balance to \$24,554,668 as provided below:

RECOMMENDATION

It is recommended that the City Council pass Ordinance No. 1022-B on second and final reading.

SUGGESTED MOTION

I move that the City Council pass Ordinance No. 1022-B on second and final reading.

AN ORDINANCE OF THE CITY OF CHEHALIS, WASHINGTON, AMENDING THE 2021 FISCAL YEAR BUDGET ADOPTED BY ORDINANCE NO. 1013-B BY REVISING THE BUDGETED AMOUNTS BY A COMBINED TOTAL OF ONE MILLION NINE HUNDRED THREE THOUSAND NINETEEN DOLLARS (\$1,903,019) FOR THE GENERAL FUND, TRANSPORTATION BENEFIT DISTRICT FUND, COMPENSATED ABSENCES RESERVE FUND, LEOFF 1 OPEN RESERVE FUND, FEDERAL GRANT CONTROL FUND, PUBIC FACILITIES RESERVE FUND, WASTEWATER FUND, WATER FUND, STORM AND SURFACE WATER FUND, AIRPORT FUND, AND FIREMEN'S PENSION FUND AND DIRECTING THE FINANCE DIRECTOR TO EFFECT THE BUDGET AMENDMENTS HEREIN PROVIDED.

THE CITY COUNCIL OF THE CITY OF CHEHALIS, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to increase the General Fund's revenues by \$1,108,289, increase appropriations by \$235,988, and increase transfers-out by \$40,000.

Section 2. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to increase the Transportation Benefit District Fund's revenues by \$190,000.

Section 3. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to decrease the Compensated Absences Reserve Fund's appropriations by \$49,000.

Section 4. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to decrease the LEOFF 1 OPEB Reserve Fund's transfers-in by \$78,000.

Section 5. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to increase the Federal Grant Control Fund's revenues by \$1,066,299 and increase transfers-out by \$335,181.

Section 6. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to increase the Public Facilities Reserve Fund's revenues by \$15,591, increase transfers-in by \$375,181, and increase appropriations by \$391,009.

Section 7 The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to increase the Wastewater Fund's revenues by \$18,211 and decrease appropriations by \$35,900.

Section 8. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to decrease the Water Fund's revenues by \$25,300 and increase appropriations by \$1,800.

Section 9. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to decrease the Storm and Surface Water Fund's revenues by \$6,700 and increase appropriations by \$3,200.

Section 10. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to increase the Airport's revenues by \$257,477 and increase appropriations by \$173,751.

Section 11. The annual budget of the city for the calendar year 2021 shall be, and the same hereby is, amended so as to decrease the Firemen's Pension Fund's transfers-out by \$78,000.

Section 12. Attached hereto and identified as Exhibit A, in summary form, is the total of estimated revenues, transfers-in, expenditures, and transfers-out for each separate fund and the aggregate totals for all such funds combined for the city for the amended 2021 budget which shows a total estimated ending fund balance of \$24,554,668.

PASSED by the City Council of the City of Chehalis, Washington, and **APPROVED** on its first reading at a regularly scheduled open public meeting thereof this _____ day of _____, 2021.

Mayor

Attest:

City Clerk

Approved as to form and content:

City Attorney

CHEHALIS CITY COUNCIL MEETING AGENDA REPORT

TO:	The Honorable Mayor and City Council
FROM:	Jill Anderson, City Manager
BY:	Tammy Baraconi, Planning and Building Manger
MEETING OF:	September 27, 2021
SUBJECT:	Ordinance No. 1021-B, Second and Final Reading – A Petition to Vacate Portions of Right-of-Way on SE Adams, 12 th Street, and the Undeveloped Alley Between 11 th and 12 th Streets.

<u>ISSUE</u>

A public hearing regarding the proposed street vacations was held on for Monday, August 23. The first reading took place after the public hearing and was passed on first reading. This item came before the City Council on September 13th for second reading. The City Council continued the item until September 27th. This agenda report has been amended to reflect the determination of how much property that the City will need to preserve with easements for utilities and access.

For the purposes of clarification and correcting any misinformation that may have been unintentionally provided in the past, the applicant's original request is for the following.

- SE Adams Avenue between 12th Street and Prospect Street. On Adams Avenue the applicant also proposed a 20 foot utility and access easement.
- 12th Street from the northeast side of Adams Avenue and the northeast side of Washington Avenue. On 12th Street, in the narrative provided by the applicant it states that they are requesting an easement over the entire area of 12th Street.
- A portion of an undeveloped alley between 11th Street and 12th Street. No easements are proposed.

All of the documentation can be found in the attachments.

The information in this report reflects analysis and recommendations based upon comments from the public as well as staff deliberations.

PROPOSED RIGHT-OF-WAY VACATION

On June 3, 2021, Fuller Design on behalf of Tom and Cara Nicholas submitted a petition to vacate a portion of right-of-way SE Adams, 12th Street, and the undeveloped alley between 11th and 12th. (Exhibit A). All right of ways primarily abut property owned by Tom and Cara Nicholas. Only one lot, 227 SE Prospect Street is owned by Steven Reynolds and LaDawn Music. Research of the plats associated with these right of ways shows that the Nicholas' have the first right of ownership of SE Adams Ave.

The request for vacation by the applicant breaks down as follows.

- SE Adams- 60 ft x 244 ft = 14,624 sq ft
- 12th Street- 50 ft x 300 ft = 14,974 sq ft
- Alley- 16 ft x 142 ft = 2,274 sq ft

If approved for vacation the Nicholas' plan to combine the existing lots with the vacation lots and then construct multi-family units for the purposes of commoditization.

Applicable Code:

CMC 12.32 Street and Alley Vacations RCW 35.79 Streets – Vacation

Public Notice:

Public notice was sent to all property owners within 300 feet of the proposed vacations. The notice was mailed on August 5, 2021. A notice was posted in The Chronicle legal notices on August 7, 2021. (Exhibit B) The comment period ended on August 11, 2021. Only one comment was received. It came from the adjacent property owner, La Dawn Music, on August 15, 2021. (Exhibit C) The lateness of her comment was because the Post Office was late delivering her mail. Staff requests that the Council accept her written comment even though it was received after the comment period ended, but before the Public Hearing.

Ms. Music's concern centers around drainage that comes off the hill, across her property, and then on to the adjacent property. This is an issue that will be addressed at the time of development. Staff encouraged Ms. Music to attend the public hearing on September 13, which she did.

SEPA and Environmental Constraints:

As per WAC 197-11-800 Categorical exemptions, the vacation process is not subject to the SEPA process. The right of ways do not provide access to any bodies of water (RCW 35.79.035) that would prevent the vacation process from moving forward in a typical manner. All other environmental constraints such as slopes and drainage will be reviewed at the time of development.

Utilities:

There is a sanitary sewer line running the length of the proposed vacation on 12th Street. The applicant is proposing that the entire width of 12th Street be vacated and an easement placed over the entire width of the street.

Access:

All the proposed vacations are undeveloped. A portion of Adams Avenue is currently used by La Dawn Music and Steven Reynolds to access their property. The applicant proposes a twenty-foot utility and access easement on Adams Avenue.

A portion of the undeveloped alley between 11th and 12th Street is used by the property owners on the northwest end of the alley. However, the applicant does not propose purchasing this portion of right of way, which would allow the adjacent property owners continued use.

A portion of the proposed vacation of 12th Street is used by the property owners, Tom and Cara Nicholas. If they choose to continue to use this access point, they will have to grant themselves an easement during the development phase of the project to ensure continued use by subsequent property owners.

STAFF ANALYSIS

The City Engineer has reviewed this proposal and finds that there are no existing or planned utilities within the area requesting to be vacated, and because there are no plans to improve this right-of-way, City Engineer has no objection to the request.

The Planning Department has reviewed this proposal and as per CMC 12.32.060 Public hearing – Criteria for granting vacation and makes the following findings.

A. That the vacation will provide a public benefit, and/or will be for a public purpose.

Discussions with the applicants indicate that without these vacations, they will not be able to develop their property with multi-family housing at a density that will allow for profit. Given the extreme shortage of housing in our community at this time, staff finds that the proposed vacations will provide a public benefit.

B. That the right-of-way vacation shall not adversely affect the street pattern or circulation of the immediate area or the community as a whole.

As these right-of-ways are currently undeveloped, staff finds that there will be no impact to the street pattern or circulation of the immediate area or the community as a whole.

C. That the public need shall not be adversely affected.

<u>Staff finds that with conditions for a utility easement along 12th Street, an access easement on SE</u> <u>Adams Ave, and a twenty-foot-wide access easement for the benefit of parcel #005859000000,</u> <u>owned by La Dawn Music and Steven Reynolds, public need shall not be adversely affected.</u> D. That the right-of-way is not contemplated or needed for future public use, including utility routing or park or pedestrian/bike access.

As per the City Engineer, there are no plans to develop these right-of ways. Since these right-of-ways are not developed and there are no contemplated needs in the future for public use of this land, staff finds that with the addition of utility easements, there will be no adverse impact to future planning.

E. That no abutting owner becomes land locked or his access will not be substantially impaired, i.e., there must be an alternative mode of ingress and egress by way of a city street or alley, even if less convenient; and

Only two property owners will be affected by these vacations. The first is the applicant, Tom and Cara Nicholas. They are able to provide themselves an easement if they wish to preserve the south end of 12th Street for access to their property. The second property owner, La Dawn Music and Steven Reynolds, use the undeveloped northwest end of Adams Avenue to access their property. There is a concern that if they were to lose this access public safety would be impacted. Staff finds that if there is a twenty-foot access easement for the benefit of parcel #005859000000, access will not be substantially impaired.

F. That vacation of right-of-way shall not be in violation of RCW 35.79.035.

<u>RCW 35.79.035 addresses right of ways that abut bodies of fresh and salt water. Staff finds there are</u> <u>no bodies of water abutting the proposed right of way vacations and therefore will not be in violation</u> <u>of RCW 35.79.035.</u>

FISCAL IMPACT

An appraisal of the land has been conducted by Nadine Tauscher and provided by the applicant. Ms. Tauscher's appraisals indicate that the property is valued between \$0.55 per square foot for property that will have an easement and \$4.28 per square foot for land that does **not** have an easement. (Exhibit E)

The applicant's proposal is for the application of easements on more of the property proposed for vacation. Based on review of the City's need for easements, staff is recommending that the City apply fewer easements. The City would receive payment from the sale of the property, based on the following staff recommendations:

Adams Avenue:

- No easements required for utilities.
- 14,624 square feet being vacated.
- We are requiring an access easement of 12 feet by 150 feet to benefit parcel #00589000000 = 1800 sq ft
- As per the appraisal, property without an easement is valued at \$4.28 per sq foot and with an easement it is \$0.55 per sq foot.
- The area with the easement is valued at \$990.00
- The area without the easement is 12,824 sq ft x \$4.28 = \$54,886.72
- Total appraised value = \$55,876.72

12th Street:

- A 20-foot easement is required.
- Total square footage of vacation is 15,263.
- Easement square footage is 20 * 299.16 = 5,983.2
- As per the appraisal, property with easement is valued at \$0.55 per sq ft.
- Value of land with easement = \$3,290.76
- Value of land without easement = 9,279.8 sq ft times \$4.28 = \$39,717.54
- Total appraised value = \$43,008.30

Alley:

- No easements required.
- Total square footage of the alley = 2,273.6 sq ft
- As per the appraisal, property without an easement is valued at \$4.28
- Total appraised value = \$9,731.00

Total amount for all three right of ways with adjustments for the necessary easements comes to \$108,616.02.

RECOMMENDATION

Staff acknowledges that the applicant has requested that an easement be placed on the entire portion of 12th Street that has been requested for vacation. After careful review and discussion, staff has concluded that the City only needs a 20 foot wide easement. Therefore, it is not necessary to place an easement over the entire width of 12th street.

Staff also acknowledges that the applicant proposes a twenty-foot access and utility easement on the portion of Adams Ave being vacated. As the City has no utilities under Adams Avenue and the only access required if for the benefit of parcel #00589000000, staff is only requiring a twelve foot by 150-foot easement.

It is recommended that the City Council pass on second and final reading, Ordinance No. 1021-B, A Petition to Vacate Portions of Right-of-Way on SE Adams, 12th Street, and the Undeveloped Alley Between 11th and 12th Streets with the following conditions.

- 1. A utility easement shall be prepared by the applicant, approved by the City Engineer, and recorded at their expense prior to the purchase of a portion of 12th Street.
- 2. An access easement of twenty feet for the benefit of parcel #005859000000 shall be prepared by the applicant, approved by the City Engineer, and recorded at their expense prior to the purchase of the Adams Avenue.
- 3. The property owner must pay the City the fair market value of \$108,616.02 as described above.
- 4. To complete the property transfer, the applicant, at their expense shall have deeds drawn for the right of way vacation areas, approved by the City Engineer, and recorded.
- 5. The applicant, at their own expense shall have a boundary line adjustment created that 'connects' the vacated right of way to the appropriate parcels, have it reviewed and approved by City staff, and recorded before civil permits or building permits are issued.

SUGGESTED MOTION

I move that the City Council pass on second and final reading, Ordinance No. 1021-B, A Petition to Vacate Portions of Right-of-Way on SE Adams, 12th Street, and the Undeveloped Alley Between 11th and 12th Streets

with the following conditions:

- 1. A utility easement shall be prepared by the applicant, approved by the City Engineer, and recorded at their expense prior to the purchase of a portion of 12th Street.
- 2. An access easement of twenty feet for the benefit of parcel #005859000000 shall be prepared by the applicant, approved by the City Engineer, and recorded at their expense prior to the purchase of the Adams Avenue.
- 3. The property owner must pay the City the fair market value of \$108,616.02 as described above.
- 4. To complete the property transfer, the applicant, at their expense shall have deeds drawn for the right of way vacation areas, approved by the City Engineer, and recorded.
- 5. The applicant, at their own expense shall have a boundary line adjustment created that 'connects' the vacated right of way to the appropriate parcels, have it reviewed and approved by City staff, and recorded before civil permits or building permits are issued.

Re: City of Chehalis Community Development City of Chehalis Public Works 1321 S Market Blvd. Chehalis, WA 98532

RE: Washington Street Project: Multi-Family Development Parcel #s: #005853001000, #00549000000, 00549001000, #005492002000, #005604192001

City of Chehalis Staff,

Please accept this narrative, attached applications, as well as supporting documentation for petition to vacate 3 separate ROW's on the parcel #'s listed above.

Existing Conditions

This project consists of 4 undeveloped parcels and 1 previously developed parcel and is in the City of Chehalis. The previously developed parcel is now vacant and the buildings have been removed.

There are currently 3 undeveloped ROW's that exist on these parcels:

- 1...Adams Ave. from 11th Street to 12th Street.
- 2. 12th Street from Washington Ave to Adams Ave.
- 3. An undeveloped alley way from 11th Street to 12th Street.

The 12th Street ROW has a main sewer line running down it and an adjacent neighbor at 227 SE Prospect is using the Adams Ave ROW for driveway access.

Vacate Petition

Our clients, Tom and Cara Nicholas, are submitting a petition for vacate of the three ROW's listed above. We are proposing that of these vacate requests, easements will be established on 12^{th} street and Adams Ave. to accommodate the entities listed below.

- 1. A 20 ft wide easement stretching from the lot line between parcel #005491001000 and parcel #005492002000 to the far edge of driveway gravel be established on Adams Ave to accommodate driveway access for the neighboring property at 227 SE Prospect St.
- 2. A full easement for the 12th St ROW to accommodate sewer line access to the City of Chehalis.

During the pre-submission conference it was requested that our surveyor research the legal lot lines for 227 Prospect St. to determine to whom the rights to the Adams Ave. ROW belonged. Please find attached documentation showing that the full rights to purchase this ROW belong to Tom and Cara Nicholas. Thank you for accepting this Petition to Vacate. Feel free to call or email if you have any questions.

Sincerely,

Aaron Fuller, PE Fuller Designs (360) 807-4420 Office <u>Afuller@fullerdesigns.org</u>

La Dawn,

At this point in the process they have only asked for a street vacation. If the vacation is approved they will move ahead with the project. You will of course receive notice that project is moving forward and again you will be able to view the documents on our website where you found the information for the street vacation. I know that it is easy to see the street vacation and jump to development of the site since that is the intention however the approval process itself is much slower and happening in phases with the first phase being the vacation. The actual development itself will go before the hearing examiner for a decision, giving you another opportunity to comment.

That being said, I will make sure that the developer is aware of the issues you have brought to my attention and make sure that they address them in their plans. I will also share your comment with the City Council next Monday. I encourage you to be there to make public comment if you have additional concerns, want to ensure that your concerns are shared, or just want to hear for yourself what the council decides and why.

Your written comments here ensure that you will receive a copy of the Council's decision and they give you the ability to appeal the street vacation decision to Lewis County Superior Court if you do not agree. You will be provided the exact time frames and language on how to do this if you so choose after the decision is rendered by the Council.

Please feel free to reach out to me with any other concerns that you may have. If you have the time and would like to we can meet in person. Please reach out to Laura Fisher our Permit Technician to schedule a time to do that. I've included her email for reference or you can call her at 360.345.2229.

Again, thank you for this comment. We send out notification because of situations just like this. We don't always know what is going on with the individual properties and we are dependent upon our citizens informing us.

Tammy

We have reviewed the documents at the City webpage and still have concerns. We understand the intent is to combine lots and complete a multifamily development. What specific changes are intended for the section aligning our driveway?

Part of the appeal of our property is that the city easements on both sides of our property have remained undeveloped. This protects the natural spring that surfaces on our property and runs down to the easement. This time of year, the spring runs low, so we have a muddy area. In the late fall, winter, and early spring the water levels are higher and there is occasionally standing water.

Will the development cause the free flowing spring to become a seasonal pond? If the water does not continue to have the free flowing outlet, could it cause damage to the foundation of our home as the land becomes more and more saturated?

Dear Community Development Department,

We have received your notice of public hearing regarding permit #Vacate-21-01. The proposed changes effect almost the entire length of one of our property lines and we have concerns. I am requesting a copy of the proposed changes to review prior to the meeting scheduled for 08/23/2021.

Thank you,

La Dawn Music Steven Raynolds

Assumptions & Limiting Conditions

File No .: 2104NICHOLAS

Property Address: OFF SE WASHINGTON	City: CHEHALIS	State: WA Zip Col	de: 98532
Client: NICHOLAS, THOMAS & CARA	Address:		
Appraiser: NADYNE TAUSCHER	Address: PO BOX 928, CENTRALIA, WA 98531	1	
STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS			

STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS

— The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.

- The appraiser may have provided a plat and/or parcel map in the appraisal report to assist the reader in visualizing the lot size, shape, and/or orientation. The appraiser has not made a survey of the subject property.

— If so indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.

— The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.

— The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.

- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.

— An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.

- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database. Possession of this report or any copy thereof does not carry with it the right of publication.

- Forecasts of effective demand for the highest and best use or the best fitting and most appropriate use were based on the best available data concerning the market and are subject to conditions of economic uncertainty about the future.

ORDINANCE NO. 1021-B

AN ORDINANCE OF THE CITY OF CHEHALIS, WASHINGTON, PROVIDING FOR THE VACATION OF PORTIONS OF S.E. ADAMS STREET, 12TH STREET, AND THE UNDEVELOPED ALLEY BETWEEN 11TH STREET AND 12TH STREET; AND PROVIDING THAT THIS VACATION SHALL BE EFFECTIVE ONLY UPON SUCH DATE AS THE OWNER OF THE REAL PROPERTY ABUTTING SAID VACATION SHALL COMPENSATE THE CITY OF CHEHALIS IN AN AMOUNT EQUAL TO THE VALUE OF SAID VACATED RIGHT-OF-WAYS.

WHEREAS, the City of Chehalis received a petition from Fuller Design on behalf of Tom and Cara Nicholas for vacation of a portion of S.E. Adams Street, 12th Street, and an undeveloped alley between 11th Street and 12th Street, more particularly described in said petition; and,

WHEREAS, pursuant to RCW 35.79.010, the City Council of the City of Chehalis did, at a regularly scheduled meeting on the 12th day of July, 2021, adopt Resolution No. 10-2021, setting the date of August 23, 2021, at the hour of 5:00 p.m. as the time for a public hearing on said petition, which date was not less than twenty (20) days nor more than sixty (60) days after the adoption of said Resolution; and,

WHEREAS, The City Council of the City of Chehalis held a public hearing to consider said petition on the 23rd day of August, 2021, after due notice to the owners of all property abutting and adjacent to the area identified in said petition as required by law; and,

WHEREAS, the City of Chehalis must provide for utility service to all properties in the vicinity, including provisions for utilities provided by others.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CHEHALIS,

WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. The City vacates that portion of S.E. Adams, 12th Street and the undeveloped alley between 11th Street and 12th Street, located within the City of Chehalis, Washington.

The legal descriptions for each portion of right of way being vacated are described in Exhibit A, with certified survey drawings described in Exhibit B, and summarized as follows:

- SE Adams: 60 feet x 244 feet, 14,624 square feet valued at \$55,876.72;
- 12th Street: 20 feet x 299.16 feet, 15,263 square feet valued at \$43,008.30; and
- Alley: 16 feet x 142 feet, 2,273.6 square feet valued at \$9,731.00,

subject to the conditions set forth in Sections 2 and 3 of this Ordinance.

Section 2. The city of Chehalis shall retain existing access and easements currently in use, as well as the right to grant easements over, under and across all said vacated portions of right-of-way for the provision of utility services. As a condition subsequent to vacation and pursuant to CMC 12.32.080, the new landowner of the vacated property shall grant an easement for ingress, egress, and utilities over, under and across the existing driveway located within the vacated portion of SE Adams currently serving Lewis County Assessor's Tax Parcel 005859-000-000, commonly referred to as 227 SE Prospect Street, Chehalis, Washington.

Section 3. This vacation shall be effective upon payment to the City of Chehalis, within 90 days of the date hereof, by the owner of property or assignee adjacent thereto and to be benefited by the vacation, in the amount of One Hundred Eight Thousand Six Hundred Sixteen and 2/100 (\$108,616.02) Dollars, which represents full appraised value of the net mount (32,161.6 square feet) of right-of-way to be vacated.

<u>Section 4.</u> This Ordinance shall be in full force and effect only after fair market value as indicated in Section 3 has been paid for the street or alley that is vacated. The City Clerk is directed not to publish this ordinance until payment has been verified pursuant to CMC 12.32.110. If the condition of transfer as stated in Section 3 is not completed within ninety (90) days of the effective date of this Ordinance, this Ordinance shall be null and void.

PASSED by the City Council of the city of Chehalis, Washington, and APPROVED by its

mayor this ______ day of ______, 2021.

CHEHALIS CITY COUNCIL MEETING AGENDA REPORT

TO:	The Honorable Mayor and City Council
FROM:	Lodging Tax Advisory Committee Councilor Jerry Lord, Chair Alicia Fox, Centralia-Chehalis Chamber of Commerce Rick Burchett, Chehalis-Centralia Railroad & Museum Jacob Blue, Holiday Inn Express & Suites Chip Duncan, Veterans Memorial Museum Trent Henning, Riverside Golf Club Lilly Wall, City of Chehalis
BY:	Jill Anderson, City Manager Kiley Franz, City Clerk
MEETING OF:	September 27, 2021
SUBJECT:	Lodging Tax Advisory Committee Recommendations for 2022 Tourism Funds and Request to Seek Applicants

<u>ISSUE</u>

The LTAC reviews and makes funding recommendations to the City Council to fund various non-profit organizations or government entities for marketing, activities, operations, and expenditures designed to increase tourism. The Lodging Tax Advisory Committee (LTAC) met on Tuesday, September 21, 2021 to review eight requests from six organizations for 2022 tourism funds to make recommendations to the City Council regarding the 2022 funding allocations.

SUMMARY OF REQUESTS SUBMITTED

With a projected beginning fund balance of \$72,990, plus projected revenues of \$235,000, the estimated revenues for 2022 totaled \$307,990. A \$50,000 reserve was set aside for projects/activities that may come up during the year. The dedicated debt service fund for the Recreation Park bond payment schedule totaled \$71,350 for 2022. A total of \$186,640 estimated revenue was available for distribution to lodging tax recipients.

Projected Beginning Fund Balance	\$ 72,990.00
Estimated Revenue	<u>\$ 235,000.00</u>
Total Estimated Funds	\$ 307,990.00
Recommended Ending Fund Balance	\$ 50,000.00
Dedicated Debt Service for Recreation Park	\$ 71,350.00
Total Estimated Available Revenue	\$ 186,640.00

Organization	2022 Requests		
Chehalis Community Renaissance Team	\$	42,200.00	
Chehalis-Centralia Railroad and Museum	\$	47,000.00	
Lewis County Historical Museum	\$	45,000.00	
Recreation - Youth and Adult Athletic Tournaments	\$	20,000.00	
Shaw Aquatics Center	\$	60,500.00	
Parks Improvement Fund	\$	18,500.00	
Centralia-Chehalis Chamber of Commerce	\$	40,000.00	
Veterans Memorial Museum	\$	40,000.00	
Totals	\$	313,200.00	

City of Chehalis – Recreation Park Debt Service

The Recreation Park Improvement Project debt service, not to exceed \$75,000/year, was approved by the City Council at the October 14, 2019 meeting. The allocated amount for 2022 is \$71,350.

City of Chehalis – Annual Allocation

The City of Chehalis applied for funding for three separate projects. The Recreation Department applied for funding for Youth and Adult Athletic Tournaments in the amount of \$20,000 and for the Shaw Aquatics Center in the amount of \$60,500. The City also applied for funding to create a Parks Improvement Fund, which requested that 10% of available revenues be placed in reserves annually to cover the costs of future capital improvement projects for parks and recreation facilities. The LTAC has recommended that 20% of available revenue be awarded to the City for all three applications; to be utilized at the discretion of the City. The 20% recommendation was rounded to \$37,340.

The LTAC recommends that 25% of available revenues be committed annually to the City beginning in 2023, to be utilized at the discretion of the City.

The committee unanimously agreed to make the following recommendations to the City Council:

Organization	Request	Recommendation
1. Centralia-Chehalis Chamber	\$ 40,000	\$ 29,860
2. Chehalis-Centralia Railroad & Museum	\$ 47,000	\$ 29,860
3. Chehalis Community Renaissance	\$ 42,200	\$ 29 <i>,</i> 860
4. Lewis County Historical Museum	\$ 45,000	\$ 29,860
5. Veterans Memorial Museum	\$ 40,000	\$ 29 <i>,</i> 860
6. City of Chehalis (2022 Requests Combined)	\$ 99,000	\$ 37,340
Total	\$313,200	\$186,640

AWARD PROCESS

A municipality may award amounts different from the LTAC, but only after satisfying procedural requirements of the state statute. A municipality must submit its proposed change(s) to the advisory committee for review and comment at least 45 days before final action on the proposal.

The attachments to this report include the draft minutes from the September 21, 2021 LTAC meeting and 2022 tourism fund projections and requests. Funding request applications are available for review upon request.

Upon City Council approval, all recipients must enter into an agreement with the city for use of the funds. The award recipients are required to submit quarterly reports to request reimbursement for eligible expenditures. All expenses are reviewed for accuracy before reimbursements are disseminated.

LTAC MEMBERSHIP

According to the resolution establishing the LTAC, the City Council is to review membership on an annual basis and make changes as appropriate. In accordance with state law, the committee must have at least five members, appointed by the City Council. Membership must include at least two representatives of businesses required to collect hotel-motel tax, two people involved in activities that are authorized to be funded by the tax, and one elected official who serves as chairperson. The number of persons representing businesses that collect the tax and the number of persons involved in activities authorized to be funded by the tax must be equal. There is no established term of membership.

Current committee members include Jacob Blue, Holiday Inn Express & Suites; Lilly Wall, City of Chehalis, and Trent Henning, Riverside Golf Club, representing businesses required to collect the tax. Members representing activities funded by the tax are Alicia Fox, Centralia-Chehalis Chamber of Commerce; Rick Burchett, Chehalis-Centralia Railroad & Museum; and Chip Duncan, Veterans Memorial Museum. Councilor Jerry Lord is the City Council representative and acts as committee chair.

Several members of the LTAC have served for more than 5 years. Councilor Lord has requested that the City Council consider initiating the application process by inviting all interested and eligible individuals, including existing LTAC members, to apply for an appointment to the LTAC by the City Council for 2022. This would ensure that ensure any interested and qualified persons would have the opportunity to be considered for appointment to the LTAC. The City Council could also consider a practice of inviting applications every year or two and/or creating term limits for the recipients of the funds. The entities that generate revenue in the City are limited, so term limits may be more difficult to establish for those positions.

RECOMMENDATION

The LTAC recommends that the City Council approve its recommendations individually and collectively for use of lodging tax funds for 2022, as follows:

Organization	Request	Recommendation
1. Centralia-Chehalis Chamber	\$ 40,000	\$ 29,860
2. Chehalis-Centralia Railroad & Museum	\$ 47,000	\$ 29,860
3. Chehalis Community Renaissance	\$ 42,200	\$ 29,860
4. Lewis County Historical Museum	\$ 45,000	\$ 29,860
5. Veterans Memorial Museum	\$ 40,000	\$ 29,860
6. City of Chehalis (2022 Requests Combined – See note below)	\$ 99,000	\$ 37,340
Total	\$313,200	\$186,640

The LTAC recommends that the City Council approve the allocation of 20% of available funds, rounded to \$37,340, to the City of Chehalis, to be utilized at the discretion of the City; approve the annual debt service payment for the Recreation Park Improvement Project in the amount of \$71,350; and approve the annual appropriation of 25% of available revenues to the City of Chehalis beginning in 2023, to be utilized at the discretion of the City.

It is also recommended that the City Council provide direction regarding the preferred process for selecting LTAC members, specifically whether or not to open the process to invite qualified individuals to apply for an appointment to the 2022 Lodging Tax Advisory Committee.

SUGGESTED MOTION

I move that the City Council:

- Approve the funding amounts, both individually and collectively, of the Lodging Tax Advisory Committee for use of lodging tax funds for 2022; and
- Approve the allocation of 20% of available funds, rounded to \$37,340, to the City of Chehalis, to be utilized at the discretion of the City in 2022; and
- Approve the annual debt service payment for the Recreation Park Improvement Project in the amount of \$71,350; and
- Approve the annual appropriation of 25% of available revenues to the City of Chehalis beginning in 2023, to be utilized at the discretion of the City; and
- Provide direction regarding the preferred process for selecting LTAC members, specifically whether or not to open the process to invite qualified individuals to apply for appointment to the 2022 Lodging Tax Advisory Committee.

Chehalis Lodging Tax Advisory Committee Meeting Minutes September 21, 2021

The Lodging Tax Advisory Committee (LTAC) met on Tuesday, September 21, 2021 to review applications for 2022 tourism funding. Members present were: Councilor Jerry Lord, Chair; Alicia Fox, Centralia-Chehalis Chamber of Commerce; Rick Burchett, Chehalis-Centralia Railroad and Museum; Jacob Blue, Holiday Inn; Lilly Wall, City of Chehalis; and Chip Duncan, Veterans Memorial Museum. Chehalis administration included: Jill Anderson, City Manager; Kiley Franz, City Clerk; and Cassie Frazier, City Manager's Administrative Assistant.

Call to Order

The meeting was called to order at 8:43 A.M. by Councilor Jerry Lord.

Councilor Lord welcomed everyone to the meeting. Kiley Franz gave a brief overview of the estimated revenues for 2022. Councilor Lord asked if there were any questions before funding interviews proceeded; there were none.

2020 Funding Request Presentations

The comments below are in addition to the information provided in each organization's application.

Chehalis Community Renaissance Team (CCRT) - \$42,200 (Annalee Tobey)

The request is to fund year-round, general promotion and marketing of Chehalis, using both social media and print. Ms. Tobey explained that the Chehalis Community Renaissance Team planned to use these funds to produce the Experience Chehalis brochure, to maintain the Experience Chehalis social media sites, website, and enewsletter, radio advertisements, and to assist in the rebranding of the CCRT. Due to the COVID-19 restriction in place during ChehalisFest, a scavenger hunt was created to encourage people to visit local retailers without gathering in large groups. In 2022, the CCRT plans to create a video series to showcase Chehalis, these videos will be used on the Experience Chehalis website and social media sites. A blog showcasing Chehalis stories has been added to the Experience Chehalis website.

Questions/Comments:

- Mr. Burchett stated that he would like to see the radio advertisements targeted to audiences outside of the 50-mile radius.
- Councilor Lord asked if the video series would be posted to YouTube as well. Ms. Tobey said it would.

Chehalis-Centralia Railroad and Museum (CCRM): \$47,000 (Mary Kay Nelson)

Funding is used for marketing and promotion of the steam train. Ms. Nelson explained that the monies awarded from the lodging tax funds were used to support the website and social media marketing campaigns, as well as posters, rack cards, and other such marketing tactics. Ms. Nelson informed the committee that over 6,000 passengers had attended this year, and with the holiday trains, they estimated that there would be about 12,000 passengers by the end of the year. The railroad plans to add a new, premier car for the holiday season, tickets for which have already sold out. Ms. Nelson estimated that 75% of visitors are from 50 to 100 miles away, 14% are from over 100 miles away, and only 11% of visitors are local. She explained that the state had awarded a grant for \$250,000 for the repairs to the steam engine, which will be provided on a reimbursement basis.

Questions/Comments:

• Ms. Fox informed the committee that the Chamber of Commerce received many inquiries regarding the steam train.

Lewis County Historical Museum – \$45,000 (Jason Mattson)

Mr. Mattson informed the committee that the Lewis County Historical Museum had to postpone most events and exhibits planned for 2021 due to the COVID-19 health crisis. He informed the committee that approximately 200 breakfasts had been sold during the museum's participation in ChehalisFest. The museum plans to have a tribute to the Japanese families relocated during World War II, an exhibit on the influential women of Lewis County, the Pioneer Pie Social, a celebration for the 75th anniversary of Kenneth Arnold seeing the 'flying saucer', and author's afternoons. A local organization pooled money to have a live-stream of trains on the track near the museum.

Questions/Comments:

• Councilor Lord asked how many members the museum had retained due to COVID. Mr. Mattson explained that the membership was down approximately 25%.

City of Chehalis – Youth and Athletics Tournaments – \$20,000 (Lilly Wall)

Ms. Wall explained that the request was to support Youth and Athletic Tournaments for 2022. She informed the committee that the upgraded facility had attracted many interested teams, but only 14 tournaments could be hosted due to the COVID-19 restrictions. The facility is now being rented out to different tournament host vendors instead of being held by City staff.

Questions/Comments:

• Mr. Blue asked if the Recreation Department was associated with the Sports Complex in Centralia. Ms. Wall stated that they worked together frequently; the hope is to cross fill for tournaments once the restrictions are lifted. Ms. Wall also stated that the Sports Commission had donated \$40,000 for the grass outfields at Recreation Park.

City of Chehalis – Shaw Aquatics Center – \$60,500 (Lilly Wall)

Ms. Wall informed the committee that the pool had brought in roughly 10,000 visitors per month; of these visitors, zip codes for approximately 43% of these visitors were outside of the 50-mile radius, and 439 visitors were from out of state. Ms. Wall explained some of the upkeep necessary to keep the pool clean and in good condition. Replacement of the sand filters and PVC lines should occur every four to six years, but the pool is currently at eight years. The showers at the facility are push-button operated and consistently have issues; Ms. Wall would like for these showers to be replaced with simple twist operated faucets. The manual vacuum that cleans the shallow area is in need of replacement, and the slides are in need of routine care as well.

Questions/Comments:

• Mr. Blue asked if the swim lessons cover the expense of hosting them. Ms. Wall stated that in 2021 they did not.

City of Chehalis – Parks Improvement Fund – \$18,500 (Jill Anderson)

City Manager Anderson expressed gratitude to the lodging tax advisory committee, the community, and the state grants that assisted in the funding for the overhaul of Recreation Park and Penny Playground. She explained that the intent was to create a reserve fund to ensure that the parks and the pool were well taken care of without significant impacts to the general fund.

Questions/Comments:

- Councilor Lord asked if this would be for just Recreation Park and Penny Playground. Ms. Anderson explained that it would be for all city parks and the Shaw Aquatics Center.
- Mr. Duncan expressed his desire to see 25% of estimated available revenues be dedicated annually to all City activities, to be utilized at the City's discretion for Youth and Adult Athletic Tournaments, necessary maintenance, or reserves for capital improvement projects.

Centralia-Chehalis Chamber of Commerce - \$40,000 (Alicia Fox)

Ms. Fox thanked the City of Chehalis for the capital improvements to the city-owned land occupied by the Chamber of Commerce Building. She explained that due to COVID-19, the purchase of a new building had been changed to the rehabilitation of the current structure. In 2021, the Chamber of Commerce held a virtual STP at Thorbeckes and a Black Friday bag giveaway that encouraged recipients to choose local businesses. The City of Chehalis is considered a premier sponsor and is promoted on any event hosted by the Chamber. In 2022, the Chamber plans to release a new website which will include job listings and tourism specific activities. The website will also include photographs that local businesses can utilize in their own marketing campaigns. During the pandemic, the Chamber focused on providing critical PPE to first responders and local businesses. Ms. Fox explained that any events planned by the Chamber are at the mercy of state mandates.

Questions/Comments:

• Councilor Jerry Lord inquired how the lack of funding from the City of Centralia affected the service they received. Ms. Fox explained that the service remained unaffected, but they were encouraged to become equal partners. She further stated that the consistency from the City of Chehalis was greatly appreciated.

Veterans Memorial Museum – \$40,000 (Chip Duncan)

Mr. Duncan explained that the museum had completed many projects and worked in conjunction with the Chehalis-Centralia Railroad and Museum during the COVID-19 shutdowns. Though it has been hard to work through the pandemic, the museum has taken it as an opportunity to assist the community. Many car shows, craft shows, reunions, and swap meets have been hosted by the museum in their outdoor space. In 2022, the museum plans to create a counseling center for veterans which can assist with mental health concerns, assistance finding jobs, and many other things. The museum utilized lodging tax funds for promotion and event coordination through social media sites.

Questions/Comments:

• Councilor Lord expressed his gratitude for the efforts made by Chip Duncan and the Veterans Memorial Museum to provide activities during the pandemic.

Determine Allocation Recommendations to City Council

Included in the agenda packet were 2022 projected revenues. With a projected beginning fund balance of \$72,990, plus projected revenues of \$235,000, estimated revenues total \$307,990. A \$50,000 reserve was set aside for projects/activities/short falls that may come up during 2022. The committee also allocated \$71,350 to the yearly Recreation Park debt service fund as approved by the City Council at their meeting on October 14, 2019. A total of \$186,640 estimated revenue was appropriated for lodging tax recipients.

It was unanimously decided by the members of the Lodging Tax Advisory Committee to approve the subsequent amounts as recommendations to the city council (with the following notes):

• City of Chehalis – It is recommended that the City of Chehalis be awarded 20% of available revenues for funding year 2022, an amount which has been rounded to \$37,340. It is also recommended that 25% of available revenues annually beginning in 2023; to be utilized at the discretion of the City.

Organization	Request	Recommendation
1. Centralia-Chehalis Chamber	\$ 40,000	\$ 29,860
2. Chehalis-Centralia Railroad & Museum	\$ 47,000	\$ 29,860
3. Chehalis Community Renaissance	\$ 42,200	\$ 29,860
4. Lewis County Historical Museum	\$ 45,000	\$ 29,860
5. Veterans Memorial Museum	\$ 40,000	\$ 29,860
6. City of Chehalis (Combined)	\$_99,000	\$ 37,340
Total	\$313,200	\$186,640

The recommendations will be reviewed by the City Council at their regularly scheduled meeting on September 27, 2021.

The meeting concluded at 2:36 P.M.

Minutes respectfully submitted by Kiley Franz, City Clerk.
