

Spring is here and summer is on the way!

Become part of the tradition of beautifying downtown Chehalis!

Thank you for your support! The City of Chehalis and the Chehalis Community Renaissance Team (CCRT) extend our thanks to everyone who has sponsored the planting of annual flowers over the last three years. We hope you will consider sponsoring an island or tree pot this year to help brighten and beautify our downtown.

The cost of sponsorship is \$50. As in prior years, flowers will be planted in colors of pink, purple, and white for breast cancer awareness to remember loved ones lost or to honor those currently battling the disease. All sponsors and honorees (if designated) will be recognized on the Chehalis Community Renaissance webpage, and the Experience Chehalis Facebook page and e-newsletter.

Two years ago, the CCRT expanded this project to include a chance to support a local non-profit organization. In 2013, Pope's Kids Place received \$650. Last year, we were excited to contribute \$500 to The Chehalis Foundation for the Gail & Carolyn Shaw Aquatics Center. This year, donations will be accepted to support construction of a permanent Discover! Children's Museum. To learn more about this project, visit <u>discovermuseum.org</u>.

Contact Caryn at Chehalis City Hall at cfoley@ci.chehalis.wa.us or 345-1042 ext. 4 with any questions.

Please detach and return to City Hall or mail to 350 N Market Boulevard, Chehalis. Checks should be made payable to *Friends of the Chehalis Community Renaissance*.
