

Spring is here and  
summer is on the way!

\* \* \* \* \*

Become part of the  
tradition of beautifying  
downtown Chehalis!

**Thank you for your support!** The City of Chehalis and the Chehalis Community Renaissance Team (CCRT) extend our thanks to everyone who has sponsored the planting of annual flowers over the last four years. We hope you will consider sponsoring an island or tree pot this year to help brighten and beautify our downtown.

The cost of sponsorship is \$50. As in prior years, flowers will be planted in colors of pink, purple, and white for breast cancer awareness to remember loved ones lost or to honor those currently battling the disease. All sponsors and honorees (if designated) will be recognized on the Chehalis Community Renaissance webpage, and the Experience Chehalis Facebook page and e-newsletter.

Three years ago, the CCRT expanded this project to include a chance to support a local non-profit organization. In 2013, Pope's Kids Place received \$650, 2014 we were excited to contribute \$500 to the Chehalis Foundation for the Gail & Carolyn Shaw Aquatics Center and last year, \$500 to the Discover! Children's Museum. This year, donations will be accepted to support the Almost Home Project. To learn more about this project, visit their Facebook page at <https://www.facebook.com/TheAlmostHomeProject/>

**Contact Andy at the Lewis County Historical Museum [director@lewiscountymuseum.org](mailto:director@lewiscountymuseum.org) or (360) 748-0831 with any questions.**

Please detach and return to City Hall or mail to 350 N Market Boulevard, Chehalis. Checks should be made payable to ***Friends of the Chehalis Community Renaissance.***
