1 **Historic Preservation Commission**

2 **October 20, 2022**

3
4 Pete Hammer called meeting to order at 5:32 pm. Roll call is taken. Present: Pete Hammer, Jo Ann
5 Kuehner, Jill McNaught, Casey Forsman.

6 Item #3 of the agenda approval of the agenda. Jo Ann Kuehner moves to approve, Casey Forsman
7 seconds the motion. Motion carried unanimously.

8 Item #4 approval of meeting minutes for September 15, 2022. Jo Ann Kuehner moves to approve, Jill
9 McNaught seconds the motion. Motion carried unanimously.

10 There being no Citizen Business or Old Business Pete moves to #7 on the agenda for New Business.

11 5:33pm Tammy Baraconi shares with the commissioners the need for a more current set of paint colors
12 be selected and approved. The colors that were previously approved by the Historic Preservation
13 Commission are no longer available. Next month staff plans to bring a new set of colors to look at. It is
14 a lot easier for the public if the Historic Preservation Committee preapproves a set of colors to chose
15 from. If people who want to paint their historic buildings chose from the colors that are already
16 preapproved, they do not need to come to a meeting. When they want to choose a color that is not on
17 the preapproved list, they need to come to a Historic Preservation meeting.

18 Jo Ann Kuehner points out that she does not yet have a binder with all of that information in it and
19 neither do others. It is her understanding that the city Council may have the ability to give Historic
20 Preservation Commission more authority.

21 Tammy Baraconi explains the areas and local districts where the commissioners have authority.

22 Jo Ann Kuehner would like to know more about buildings that are in the historical downtown where
23 facades are being modified.

24 5:41pm Pete Hammer moves to item #8 on the agenda Commission Business. He asks Tammy Baraconi
25 if there are any grants available to this commission to help improve property appearances.

26 Tammy Baraconi knows that there are grants available to help landlords through the Department of
27 Commerce. The Department of Archeology and Historic Preservation offers a grant every 2 years. July
28 of next year they should be offering another grant. The city can apply for grants. It has been done in the
29 past to help come up with façade money.

30 Pete Hammer suggests it would be great to help the Colonial House get their building painted, or new
31 siding and windows.

32 Jill McNaught has researched this and states there are Federal and State grants available for the Historic
33 Preservation Commission. She would like to find the registry online for the city.

34 Tammy Baraconi explains that it is not online. Email Nick Swanson to obtain that information.

35 Jill McNaught wonders if the business owners downtown know they have to follow certain rules.

36 Tammy Baraconi explains that is one of the many reasons staff is looking to refresh the code. The
37 Historic Preservation webpage may need to be updated. The city only has 11 buildings on the National
38 Register, and she only knows of 2 buildings on the local register which are RE Bennett and Cascade.
39 There is a process that needs to be followed to create a local district, parameters, and 60% of the
40 structures have to contribute to a Historic Preservation District. It is her understanding that the local
41 districts are on the national register. The office at Community Development has all sorts of paper files.
42 It is staff's goal to get them all digitized. If someone were able to volunteer their time to help get that
43 process done it would be greatly appreciated.

44 5:54pm Pete Hammer moves to item #9 on the agenda Workshop to review the Model Ordinance.

45 Tammy Baraconi responds that the Model Ordinance comes from the Department of Archeology and
46 Historic Preservation. That department makes sure it is consistent with State and Federal law and Court
47 Case law and staff has all of the important stuff captured. Nick has taken that document and has
48 adopted it for the city of Chehalis. She recommends changing the number of members on the
49 commission to 5 but no more than 7. This makes it easier to have a quorum.

50 Jo Ann Kuehner suggests the commission needs time to compare the two. She requests that the city
51 Council let them be part of the historic downtown.

52 Tammy Baraconi hopes that as the commissioners are looking at it, they keep in mind that even as staff,
53 we are an advisory to the city Council. Staff can not make decisions on anything related to taxes or
54 spending money. That is all established by the city Council.

55 Jo Ann Kuehner states that Thurston County Historic Preservation makes all of the decisions and even
56 make decisions for allowing tax relief.

57 Jill McNaught has done research on surrounding jurisdictions and says that they all have that authority
58 and have the review board to make final decisions.

59 Tammy Baraconi responds that she wrote the code for the city of Centralia, and they have to go to the
60 Council for final decisions. The Historic Preservation Commission goes to review, but it goes to the city
61 Council for final decision. The Historic Commission holds the public hearing and are the advisory board
62 because you are considered the experts.

63 Jill McNaught may email Tammy regarding the process of how it is supposed to go. Per the ordinance,
64 the RCW, it is supposed to go to the assessor's office first then to the Historic Preservation Commission
65 as a review board.

66 Pete Hammer understands that if they the building owner get this designation, they have to go through
67 a certain process to get tax breaks.

68 Tammy Baraconi clarifies that the applicant did the research on RE Bennett and Cascade.

69 Pete Hammer understands that they are discussing the issue of whether or not it should be an unelected
70 group of people making these decisions on how much people pay taxes. He asks if they can vote on it or
71 if it is simply a discussion.

72 Tammy Baraconi answers Pete that the meeting is to discuss this but not make a decision at this time. It
73 will come to the Historic Preservation Committee in a Public Hearing so that you can review the code
74 and make recommendation to the city Council for the record.

75 Pete Hammer states he is personally ok with not having that ability. He feels strongly that elected
76 officials should make the decisions about taxes. He does not agree that the Historic Preservation
77 Commission should have that power.

78 Jo Ann Kuehner could possibly agree but is holding out for the city Council to give them some sort of
79 power over being able to do our job.

80 Tammy Baraconi asks if Jo Ann Kuehner would like to add some language to the code about possible
81 code enforcement. She is happy to assist with that and bring it to the Council.

82 Jill McNaught would like to know specifically what Tammy is proposing to change.

83 Tammy Baraconi responds that staff is proposing to replace and repeal the entire thing.

84 Casey Forsman brings up the concern about painting the murals appropriate historical colors.

85 Tammy Baraconi thinks it would be appropriate to put language in the code about how murals must be
86 approved by the Historic Commission in a historic district. Staff will work on getting binders to the
87 commissioners. In the binders will be the design criteria for downtown.

88 Pete Hammer feels that the city Council does value what the commission recommends.

89 Jill McNaught recommends that the commissioners look at other jurisdictions and also compare what
90 was done in the past to what it is now.

91 Tammy Baraconi proposes that they continue with the commissioner's terms to be at 3 years.

92 Jill McNaught suggests the commissioners review Centralia's code chapter 2.58.

93 6:14pm Pete Hammer refers to #10 on the agenda to re-open and adjourn the meeting. Jo Ann Kuehner
94 moves to adjourn the meeting. Casey Forsman seconds the motion. Motion carried unanimously.
95 Meeting adjourned.

A. Criteria for Determining Designation in the Register

Any building, structure, site, object, or district may be designated for inclusion in the Chehalis Register of Historic Places if it is significantly associated with the history, architecture, archaeology, engineering, or cultural heritage of the community; if it has integrity; is at least 50 years old, or is of lesser age and has exceptional importance; and if it falls in at least one of the following categories.

1. Is associated with events that have made a significant contribution to the broad patterns of national, state, or local history.
2. Embodies the distinctive architectural characteristics of a type, period, style, or method of design or construction, or represents a significant and distinguishable entity whose components may lack individual distinction.

6. Has yielded or may be likely to yield important archaeological information related to history or prehistory.
7. Is a building or structure removed from its original location but which is significant primarily for architectural value, or which is the only surviving structure significantly associated with a historic person or event.
8. Is a birthplace or grave of a historical figure of outstanding importance and is the only surviving structure or site associated with that person.
9. Is a cemetery which derives its primary significance from age, from distinctive design features, or from association with historic events, or cultural patterns.
10. Is a reconstructed building that has been executed in a historically accurate manner on the original site.
11. Is a creative and unique example of folk architecture and design created by persons not formally trained in the architectural or design professions, and which does not fit into formal architectural or historical categories.

B. Process for Designating Properties or Districts to the Chehalis Register of Historic Places

1. Commission Members may nominate a building, structure, site, object, or district for inclusion in the Chehalis Register of Historic Places. Members of the Historic Preservation Commission or the commission as a whole may generate nominations. In its designation decision, the commission shall consider the Chehalis Historic Inventory and the Chehalis Comprehensive

Plan.

2. In the case of individual properties, the designation shall include the UTM reference and all features—interior and exterior—and outbuildings that contribute to its designation.
3. In the case of districts, the designation shall include description of the boundaries of the district; the characteristics of the district justifying its designation; and a list of all properties including features, structures, sites, and objects contributing to the designation of the district.
4. The Chehalis Historic Preservation Commission shall consider the merits of the nomination, according to the criteria in Section 5 and according to the nomination review standards established in rules, at a public meeting. Adequate notice will be given to the public, the owner(s) and the authors of the nomination, if different, and lessees, if any, of the subject property prior to the public meeting according to standards for public meetings established in rules and in compliance with Chapter 42.30 RCW, Open Public Meetings Act. Such notice shall include publication in a newspaper of general circulation in Chehalis any other form of notification deemed appropriate by the City of Chehalis. If the commission finds that the nominated property is eligible for the Chehalis Register of Historic Places, the commission shall make recommendation to the City Council that the property be listed in the Register with owner’s consent. In the case of historic districts, the commission shall consider a simple majority of property owners to be adequate for owner consent. Owner consent and notification procedures in the case of districts shall be further defined in rules. The public, property owner(s) and the authors of the nomination, if different, and lessees, if any, shall be notified of the listing.
5. Properties listed on the Chehalis Register of Historic Places shall be recorded on official zoning records with an “HR” (for Historic Register) designation. This designation shall not change or modify the underlying zone classification.

C. Removal of Properties from the Register

In the event that any property is no longer deemed appropriate for designation to the Chehalis Register of Historic Places, the commission may initiate removal from such designation by the same procedure as provided for in establishing the designation, subsection 5-B. A property may be removed from the Chehalis Register of Historic Places without the owner’s consent.

D. Effects of Listing on the Register

1. Listing on the Chehalis Historic Preservation Commission is a designation denoting significant association with the historic, archaeological, engineering, or cultural heritage of the community. Properties are listed individually or as contributing properties to a historic district.
2. Prior to the commencement of any work on a register property, excluding ordinary repair and maintenance and emergency measures defined in Section 3, the owner must request and receive a Certificate of Appropriateness from the commission for the proposed work. Violation of this rule shall be grounds for the commission to review the property for removal from the register.
3. Prior to whole or partial demolition of a register property, the owner must request and receive a waiver of a Certificate of Appropriateness.

SECTION 6. REVIEW OF CHANGES TO CHEHALIS REGISTER OF HISTORIC PLACES PROPERTIES

A. Review Required

No person shall change the use, construct any new building or structure, or reconstruct, alter, restore, remodel, repair, move, or demolish any existing property on the Chehalis Register of Historic Places or within a historic district on the Chehalis Register of Historic Places without review by the commission and without receipt of a Certificate of Appropriateness, or in the case of demolition, a waiver, as a result of the review.

The review shall apply to all features of the property, interior and exterior, that contribute to its designation and are listed on the nomination form. Information required by the commission to review the proposed changes are established in rules.

B. Exemptions

The following activities do not require a Certificate of Appropriateness or review by the commission: ordinary repair and maintenance—which includes painting—or emergency measures defined in Section 3.

C. Review Process

1. **Requests for Review and Issuance of a Certificate of Appropriateness or Waiver**
The building or zoning official shall report any application for a permit to work on a designated Chehalis Register of Historic Places

property or in a Chehalis Register of Historic Places historic district to the commission. If the activity is not exempt from review, the commission or professional staff shall notify the applicant of the review requirements. The building or zoning official shall not issue any such permit until a Certificate of Appropriateness or a waiver is received from the commission but shall work with the commission in considering building and fire code requirements.

2. **Commission Review**

The owner or his/her agent (architect, contractor, lessee, etc.) shall apply to the commission for a review of proposed changes on a Chehalis Historic Preservation Commission property or within a Chehalis Historic Preservation Commission historic district and request a Certificate of Appropriateness or, in the case of demolition, a waiver. Each application for review of proposed changes shall be accompanied by such information as is required by the commission established in its rules for the proper review of the proposed project.

The commission shall meet with the applicant and review the proposed work according to the design review criteria established in rules. Unless legally required, there shall be no notice, posting, or publication requirements for action on the application, but all such actions shall be made at regular meetings of the commission. The commission shall complete its review and make its recommendations within thirty (30) calendar days of the date of receipt of the application. If the commission is unable to process the request, the commission may ask for an extension of time.

The commission's recommendations shall be in writing and shall state the findings of fact and reasons relied upon in reaching its decision. Any conditions agreed to by the applicant in this review process shall become conditions of approval of the permits granted. If the owner agrees to the commission's recommendations, a Certificate of Appropriateness shall be awarded by the commission according to standards established in the commission's rules.

The commission's recommendations and, if awarded, the Certificate of Appropriateness shall be transmitted to the building or zoning official. If a Certificate of Appropriateness is awarded, the building or zoning official may then issue the permit.

3. **Demolition**

A waiver of the Certificate of Appropriateness is required before a permit may be issued to allow whole or partial demolition of a designated Chehalis Register of Historic Places property or in a Chehalis Register of Historic Places district. The owner or his/her agent shall apply to the commission for a review of the proposed demolition and request a waiver. The applicant shall meet with the commission in an attempt to find alternatives to demolition. These negotiations may last no longer than 45 calendar days from the initial meeting of the commission, unless either party requests an extension. If no request for an extension is made and no alternative to demolition has been agreed to, the commission shall act and advise the official in charge of issuing a demolition permit of the approval or denial of the waiver of a Certificate of Appropriateness. Conditions in the case of granting a demolition permit may include allowing the commission up to 45 additional calendar days to develop alternatives to demolition. When issuing a waiver, the board may require the owner to mitigate the loss of the Chehalis Register of Historic Places property by means determined by the commission at the meeting. Any conditions agreed to by the applicant in this review process shall become conditions of approval of the permits granted. After the property is demolished, the commission shall initiate removal of the property from the register.

4. **Appeal of Approval or Denial of a Waiver of a Certificate of Appropriateness.**

The commission's decision regarding a waiver of a Certificate of Appropriateness may be appealed to the City Council within ten days. The appeal must state the grounds upon which the appeal is based.

The appeal shall be reviewed by the council only on the records of the commission. Appeal of Council's decision regarding a waiver of a Certificate of Appropriateness may be appealed to Superior Court.
