Petition for Mitigation Hearing on Infraction(s)  
via Written Statement

This is the form used to request a deferred finding and/or a mitigation hearing by mail. **Fill out the FRONT and BACK of this form, sign it, and return it as indicated below.**

☐ **Check this box if you wish to request a finding of committed be deferred.**

A deferred finding is available only for traffic infractions. Within a seven-year period, a person may receive one deferred finding on a moving violation and one deferred finding on a nonmoving violation. A deferred finding is discretionary, and the Judge may not grant deferred findings on some infractions. Drivers with CDLs or who committed infractions in a commercial vehicle are ineligible. If the judge grants your deferred finding, the decision on your case will be deferred for between 6 and 12 months. (You will be notified of the duration.) During that time, you must commit no crimes nor infractions and pay an administrative fee of \$175.00 (+\$10.00 time payment fee if assessed). If you satisfy both conditions, your infraction(s) will be dismissed. If not, the infraction(s) will be found committed, you will be assessed the penalty amount and a \$52.00 penalty in addition to the administrative fee of \$175.00 (+\$10.00 time payment fee if assessed). The finding will be reported to the Washington Department of Licensing (DOL), who may begin processing your driver's license for suspension. If any charges are pending, the deferral period will be tolled until they are resolved. Fill out the rest of this form even if you are requesting a deferred finding. If you request a deferred finding using this form, but are not granted the deferred, the Court will conduct a mitigation hearing based upon your statement below.
