

# INTRODUCING NEW BANNERS IN DOWNTOWN CHEHALIS

WE WANT TO MAKE EVERY STEP IN YOUR WALK  
DOWNTOWN SPECIAL!

The Chehalis Community Renaissance Team CCRT is pleased to announce the installation of 15 banners in historic downtown Chehalis on Market Street. The banners depict our downtown throughout its history. Consider this our test run. After we ensure the quality of these initial banners, more banners will be ordered and placed in other areas downtown later this year. This project is funded by CCRT with installation by the City of Chehalis Public Works Dept. Have questions, comments, feedback? Please contact CCRT Executive Director, Annalee Tobey or stop by our new CCRT office at 60 NW Boistfort Street.
